

Central CT Catholic Middle School Basketball League
Requirements for Scheduling Meeting
November 2, 2011

The AD or person responsible to formulate the varsity schedule MUST be present at this meeting. Do not schedule any non-league games prior to this scheduling meeting. All available dates should be used for varsity League games before scheduling outside games.

**Check your school gym AND school calendar for such things as Christmas Plays, Christmas parties, HS orientation dates, school vacations/days off, mid term exams dates, MLK day, Thanksgiving, Parish gym use, any other dates that may impact your ability to play or to host, both varsity and/or weekend JV games.
NO GAMES Wednesday Nov 30, 2011 because of an Officials Meeting.**

Bring with you the number of teams that your school will have for each division (A, B, & C) of the JV league, both boys & girls. Additionally you will need to commit the number of A & B teams that will participate in the Jamboree (boys Sat Nov 5, girls Sun Nov 6).

**Any special request for JV games, such as the same coach coaching two teams (i.e. schedule games back to back) or teams must play late game because students are in Polish School in the AM.
Once the schedule is completed and distributed, no such corrections will be made.**

If you can host the JV league on Saturday mornings starting at 9 am, and/or Sunday afternoons starting at 1 pm you will need to bring your gym availability with you. Additionally, after every school has been given their allotted hosts, there is always a need for additional hosting opportunities. The League gets the gate receipts from these “League Hosts” but the host school gets the concession revenue. You will need to ‘opt out’ if your school does not wish to accept these League Hosts.
